

## *IP Scholarships*

***Education is a child's only escape from generations of extreme poverty.***

In El Salvador, school is the door to a better life. Your gift of an education not only gives a student a chance at a better life, but it also creates a positive ripple effect for that student's family and community. At the same time, it also inspires other students to pursue their dreams.

The table below shows school costs as of January 2016.\*

| <b>Grade Levels</b>                              | <b>Total Cost</b>            |
|--|------------------------------|
| 1-6  | \$250                        |
| 7-8  | \$300                        |
| 9  | \$350**                      |
| High School: Year 1                              | \$800                        |
| High School: Year 2                              | \$850**                      |
| Special Education                                | Based on individual proposal |
| Higher Education (college or vocational program) | Based on individual proposal |

\*The cost of the scholarship covers supplies, P.E. uniforms/shoes, food, transportation (for high schoolers and students in Special Education), books, other academic necessities, and part of IP's costs for supporting students and managing the program.

\*\*The cost of the scholarship for students in these grade levels also covers part of the student's graduation expenses.

**If you are interested in providing one or more students with a scholarship**, email Missy Robbins, IP's Scholarship Director, at [mrobbins@internationalpartners.org](mailto:mrobbins@internationalpartners.org), with as much of the following information as possible:

- 1) student's name and community (if you know which student you would like to support)
- 2) If you don't have a specific student in mind, let us know if you have a grade preference.

**Thank you! With the gift of education, you are changing lives forever.**
